

# Juzo Made to Measure Checklist

Please use the checklist while the patient is present and before placing the order.

## Stockings

- Account and contact information filled out
- All circumferences and lengths that apply are filled out
- Model and style selected
- Make sure to verify each or pair
- Open toe or full foot and the proper length measurement taken (IA open toe, IZ full foot)
- Color choice (if applicable)

## Arm Sleeves

- Account and contact information filled out
- All circumferences and lengths (4 total lengths) are filled out
- Circumferences are in the correct column, right or left
- Compression class marked
- Model number and quantity specified
- Options marked (if needed)

## Gloves & Gauntlets

- Account and contact information filled out
- All circumferences and lengths are filled out
- The finger lengths are to where the fingerstubs should end, not necessarily to nail beds.
- Compression class and style marked
- Model number and quantity specified
- Verify right or left hand
- Verify worn with a sleeve or not.
